ATTN: DECISION AND CERTIFICATE OF CORRECTION  
BRANCH OF THE PATENT ISSUE DIVISION

**Certificate**

**FEB 02 2006**

**of Correction**

**REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT  
FOR PTO MISTAKE (37 CFR §1.322 (a))**

Sir:

Attached in duplicate form, is Form PTO-1050, with at least one copy being suitable for printing. The errors which appear in the Form PTO-1050 were typographical errors which occurred through the fault of the U.S. Patent and Trademark Office ("PTO").

The exact column and line number where the errors are shown in the patent are as follows:

Column 2, line 13 reads "...maybe configured such that, upon filling of the first trap..." and should read - ...may be configured such that, upon filling of the first trap... - .

**FEB 03 2006**

Column 9, line 61 reads "...prises the two side members each having an upstream and..." and should read – ...prises the two side members, each having an upstream and... – .

Column 10, lines 1-2 read "12. The assembly of claim 11 wherein the at least two members having the two side members each has an upstream..." and should read – 12. The assembly of claim 11 wherein the two side members each has an upstream... – .

Column 10, lines 5-6 read "13. The assembly of claim 12 wherein the at least two members having the two side members each has an outside..." and should read – 13. The assembly of claim 12 wherein the two side members each has an outside... – .

Column 10, lines 9-10 read "14. The assembly of claim 13 wherein the at least two members having the two side members each has an inside..." and should read – 14. The assembly of claim 13 wherein the two side members each has an inside... – .

Column 10, lines 13-14 read "15. The assembly of claim 12 wherein the at least two members having the two side members each has an inside..." and should read – 15. The assembly of claim 12 wherein the two side members each has an inside... – .

Column 10, lines 17-18 read "16. The assembly of claim 11 wherein the at least two members having the two side members each has an inside..." and should read – 16. The assembly of claim 11 wherein the two side members each has an inside... – .

Column 10, lines 25-26 read "18. The assembly of claim 17 wherein the at least two members having the two side members each has an outside..." and should read – 18. The assembly of claim 17 wherein the two side members each has an outside... – .

Column 10, lines 29-30 read "19. The assembly of claim 18 wherein the at least two members having the two side members each has an upstream..." and should read – 19. The assembly of claim 18 wherein the two side members each has an upstream... – .

Column 10, lines 34-35 read "20. The assembly of claim 18 wherein the at least two members having the two side members each has an upstream..." and should read – 20. The assembly of claim 18 wherein the two side members each has an upstream... – .

Column 10, lines 36-37 read "21. The assembly of claim 17 wherein the at least two members having the two side members each has an upstream..." and should read – 21. The assembly of claim 17 wherein the two side members each has an upstream... – .

Column 10, lines 40-41 read "22. The assembly of claim 10 wherein the at least two members having the two side members each has an upstream..." and should read –

22. The assembly of claim 10 wherein the two side members each has an upstream...  
— .

Column 10, lines 44-45 read “23. The assembly of claim 22 wherein the at least two members having the two side members each has an outside...” and should read – 23. The assembly of claim 22 wherein the two side members each has an outside... – .

Column 10, line 50 reads “...prises the two side members each having an outside thereof...” and should read – ... prises the two side members, each having an outside thereof... – .

Column 10, lines 53-54 read “25. The assembly of claim 24 wherein the at least two members having the two side members each has an upstream...” and should read – 25. The assembly of claim 24 wherein the two side members each has an upstream...  
— .

Column 10, lines 57-58 read “26. The assembly of claim 25 wherein the at least two members having the two side members each has an inside...” and should read – 26. The assembly of claim 25 wherein the two side members each has an inside... – .

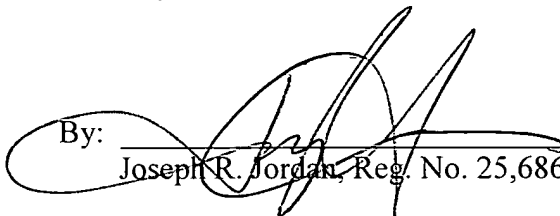

Please send the certificate to:

**CERTIFICATE OF CORRECTION**

PATENT NO. : 6,866,153 *B2*

DATED : March 15, 2005

INVENTOR(S): Richard R. Turner, Jr., Robert Kircher, Dennis R. Moran, James P.  
Dugan

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

Column 2, line 13 reads "...maybe configured such that, upon filling of the first trap..." and should read - ...may be configured such that, upon filling of the first trap... - .

Column 9, line 61 reads "...prises the two side members each having an unstream and..." and should read - ...prises the two side members, each having an upstream and... - .

Column 10, lines 1-2 read "12. The assembly of claim 11 wherein the at least two members having the two side members each has an upstream..." and should read - 12. The assembly of claim 11 wherein the two side members each has an upstream... - .

Column 10, lines 5-6 read "13. The assembly of claim 12 wherein the at least two members having the two side members each has an outside..." and should read - 13. The assembly of claim 12 wherein the two side members each has an outside... - .

Column 10, lines 9-10 read "14. The assembly of claim 13 wherein the at least two members having the two side members each has an inside..." and should read - 14. The assembly of claim 13 wherein the two side members each has an inside... - .

Column 10, lines 13-14 read "15. The assembly of claim 12 wherein the at least two members having the two side members each has an inside..." and should read - 15. The assembly of claim 12 wherein the two side members each has an inside... - .
